

Our simplified financial solutions are tailored to you and your business.

Equipment Finance & Leasing

Whether you need machinery, vehicles or more, we've got you covered. We provide equipment finance & leasing for all types of business machinery and vehicles.

Working Capital Financing

We offer easy financing and working capital loans to boost your cash flow, and help you cover and bridge your expenses.

Vendor Programs

Register as a Rapid Capital Equipment Seller (Vendor) and help your customers buy the equipment they need, when they need it, and on their terms.

Bankruptcy Financing

If your company in a Chapter 11 Bankruptcy reorganization process we can offer you needed funding to continue present operations during the reorganization.

Startup Financing

We offer startups needed funding. Supercharge your startup to its full potential with our 100% non-dilutive, secure funding.

Franchise Financing

We offer buyers needed financing to open or buy a franchise. Let us help you obtain quick financing for all your franchise needs.

GENERAL FINANCING

What are your benefits to financing with Rapid Capital?

- Save capital & Lower your monthly payments
- Improves cash forecasting
- Equipment upgrades & Immediate needs
- Avoid equipment becoming obsolete
- Flexibility & Huge end-of-year tax deductions
- End-of-term options
- Easy application & minimal paperwork
- Quick approvals & Same day funding
- Up to 72 month terms
- All credit scores considered
- Competitive rates and programs & Easy payments

- Step 1** **Application Submittal:** You fill out a short secure online application.
- Step 2** **Application and Credit Review:** Your application is Reviewed.
- Step 3** **Approval:** After the review you are officially approved and are sent documents for signature.
- Step 4** **Customer Acceptance:** You sign the documents and return them along with any required paperwork.
- Step 5** **Purchase Order Submittal or Pre-Funding:** You will be issued an official Purchase Order to the vendor or make any possible pre-funding payment
- Step 6** **Equipment Delivery and Installation:** The equipment is delivered to you and you officially accept it and install it.
- Step 7** **Payment:** Any outstanding payment is made to the vendor who, by now, is paid in full.
